## National Do Not Call Registry

Have you started to receive more and more calls from telemarketers and you thought you had registered your phone number on the Do Not Call Registry? If so, your registered phone number may have expired from the list, and you may need to register again. Originally, once you registered your phone number the registry list was good for five years. You are able to register both your home or mobile phone for free.

Telephone numbers placed on the National Do Not Call Registry will remain on it permanently due to the Do-Not-Call Improvement Act of 2007, which became law in February 2008. More than 157 million phone numbers are on the National Do Not Call Registry. Register online at [www.donotcall.gov](http://www.donotcall.gov) or by calling the registry's toll-free number 1-888-382-1222.

## National Credit Union Youth Week

We celebrated National Credit Union Youth Week April 21-28, 2008. Our theme this year was "GOT GREEN? Grow it at your credit union". This is a great way to help youth start the savings habit and share some green ecology tips. This year we gave a Kree Mee coupon to each child who made a \$10.00 deposit. The "GOT GREEN?" prizes to go along with the theme were a jump rope, water bottles, cash, Kree Mee coupons, tractor, rake, shovel, flower seeds and vegetable seeds. We try to promote and encourage youth to make a deposit and sign up for prizes.

Throughout the year, we also have a monthly drawing for those youth that have made a deposit into their Pee Wee savings account.
